

State of South Carolina

Governor's Proclamation

WHEREAS, across South Carolina, clean and readily abundant forms of energy are powering more homes and businesses than ever before; and

WHEREAS, clean energy, including generation from renewable sources such as wind, solar, and hydro sources as well as nuclear, natural gas, and energy storage, is part of our country's energy future; and

WHEREAS, the clean energy sector is a growing part of the economy and has been a key driver of economic growth in the Palmetto State in recent years; and

WHEREAS, South Carolina has experienced tremendous success in the solar industry and has significant potential in the development of wind, biomass, and other clean energy technologies; and

WHEREAS, clean energy jobs are inherently local, exempt from outsourcing due to the on-site nature of construction, installation, and maintenance, and contribute to the growth of local communities.

NOW, THEREFORE, I, Henry McMaster, Governor of the great State of South Carolina, do hereby proclaim September 21 - 25, 2020, as

SOUTH CAROLINA CLEAN ENERGY WEEK

throughout the state and encourage all South Carolinians to support commonsense solutions that address our economic and energy needs in the 21st Century.
