

# NATIONAL clean Energy WEEK

# SPONSORSHIP PROSPECTUS

SEPTEMBER 26-30, 2022 | #NCEW2022 | WASHINGTON, DC

National Clean Energy Week brings together elected officials, business leaders, advocates, policymakers, investors, and trade associations from all perspectives who are dedicated to advancing clean energy.

Join our annual week-long celebration of clean energy innovation and help solve the world's most pressing challenges in nuclear, solar, wind, wave, hydropower, geothermal, natural gas, biomass, carbon capture, storage, and waste-to-energy technologies.

The 6th annual NCEW will take place from **September 26-30, 2022**, and will include a three-day virtual Policy Makers Symposium, as well as in-person networking events in Washington, DC., including a Gala Dinner and VIP receptions.

SEPTEMBER 26 - 30, 2022

## Help us Build on the Record-Breaking Success of 2021!

**550** Registered Policy Makers  
Symposium Attendees

**160** Participating Organizations

**37** Industry Experts  
(+15 Keynote Addresses)  
Participating In Panel Sessions

**29** Proclamations from States and the District of Columbia Supporting NCEW

**15** US Senators Supporting a Senate NCEW Resolution

**78** Members of the US House of Representatives Supporting a House NCEW Resolution

## Policy Makers Symposium

The NCEW Policy Makers Symposium will be offered on a virtual platform and will feature expert panel discussions and keynote remarks on latest in climate and energy policy. The Policy Makers Symposium will also provide collaborative opportunities for our participants. All programming will be recorded and available online for three months following NCEW.

### Past Congressional Participants:

- Sen. Mike Braun (R-IN), Co-Chair of Senate Climate Solutions Caucus
- Rep. Garret Graves (R-LA), Ranking Member of the House Select Committee on the Climate Crisis
- Rep. Kathy Castor (D-FL), Chair of the House Select Committee on the Climate Crisis
- Sen. Joe Manchin (D-WV), Chair of the Senate Energy and Natural Resources Committee
- Sen. Chris Coons (D-DE), Co-Chair of Senate Climate Solutions Caucus
- Sen. Lisa Murkowski (R-AK), Former Chair of the Senate Energy and Natural Resources Committee
- Rep. John Curtis (R-UT), Founder of the Conservative Climate Caucus
- Rep. Paul Tonko (D-NY), Chair of the House Energy and Commerce Committee's Subcommittee on the Environment and Climate Change

### Panel Topics Include:

- Letting America Build
- Unlocking American Resources
- Advancing Innovation
- Strengthening U.S. Competitiveness

## In-Person Events in Washington, DC

### Gala Dinner

This exclusive dinner will feature policy makers and special guests.

### VIP Reception

Connect with the “who’s who” in advancing clean energy at this reception prior to the Gala Dinner.

### Young Professionals Happy Hour

Join the next generation of advocates for American clean energy at this networking engagement.

Upon Request

## NCEW2022 Speaking and Marketing Opportunities

Be a part of the bipartisan discussion on new market development methods, policy debates, financing, and technological innovation as we work to reduce global emissions. Our hybrid events promise the best of both worlds – networking at in-person events and three days of speakers and education on a virtual platform.

In appreciation for supporters of NCEW, we offer the following speaking and marketing opportunities.
