

STATE OF OKLAHOMA

EXECUTIVE DEPARTMENT

Proclamation

Whereas, the energy sector is the leading economic driver in Oklahoma and the state's all of the above approach to energy production plays an important part in America's energy independence; and

Whereas, Oklahoma's energy generation from renewable sources includes wind, solar, hydro, geothermal sources, natural gas, biomass, waste-to-energy, and carbon-capture technologies as well as energy storage; and

Whereas, across Oklahoma, clean and readily abundant forms of energy are powering more homes and businesses than ever before; and

Whereas, these jobs that cannot be outsourced due to the on-site nature of construction, installation, and maintenance are inherently local and contribute to the growth of local economies; and

Whereas, as our country celebrates National Clean Energy Week, I encourage individuals and organizations in Oklahoma's energy sector as it meets America's economic and energy needs in the 21st century;

Now Therefore, I, Governor J. Kevin Stitt, do hereby proclaim September 26th-30th, 2022, as

"Clean Energy Week"

in the State of Oklahoma.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed.

ATTEST:

Done at the Capitol, in the City of Oklahoma City, this twenty-fourth day of August, in the Year of Our Lord two thousand and twenty-two, and of the State of Oklahoma in the one hundred and fourteenth year.

Kevin Stitt
GOVERNOR

Kevin Stitt
SECRETARY OF STATE
