

# CITY OF EVANSVILLE

## PROCLAMATION

**Whereas**

across Indiana, clean and readily abundant forms of energy are powering more homes and businesses than ever before; and

*WHEREAS,*

securing our energy independence starts with embracing renewable power generation from solar panels, wind turbines, and hydropower stations; and

*WHEREAS,*

in Evansville, the clean energy sector is a growing part of the economy and has been a key driver of economic growth in recent years both locally and across the state; and

*WHEREAS,*

massive clean energy projects are in development throughout Indiana including the largest solar farm in the US and a multibillion dollar battery plant which will revitalize communities and bring back dependable American jobs; and

*WHEREAS,*

renewable resources accounted for about 9% of Indiana's net generation in 2020; and

*WHEREAS,*

National Clean Energy Week provides the chance to lift up common sense solutions that will preserve the beauty of Indiana's natural resources; then

*THEREFORE,*

be it resolved that I, Lloyd Winnecke, Mayor of the City of Evansville proclaim September 26-30, 2022, as

## *CLEAN ENERGY WEEK*

in the City of Evansville.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the great seal of the City to be affixed this 14th day of October in the year of our Lord two thousand and twenty-two.

  
Lloyd Winnecke, Mayor  
City of Evansville
