

City of Killeen

- WHEREAS** Across the state of Texas, clean and abundant forms of energy are powering more homes and businesses than ever before, thanks to renewable sources such as wind, solar, hydro, geothermal, as well as nuclear, natural gas, and carbon capture technologies; and
- WHEREAS** The clean energy sector is a key force for economic growth in Texas, with scores of new jobs being added to the industry every year, which bring great benefits to the state and are inherently local, contributing to the growth of local economies; and
- WHEREAS** Texas is the leading crude oil- and natural gas-producing state in the nation; and
- WHEREAS** Clean energy is important to Texas, as we are also the number one wind generation state and the second largest solar capacity state; and
- WHEREAS** The City of Killeen must harness the power of Texas entrepreneurs and small businesses and ensure government collaboration to assert American energy leadership and dominance in the global marketplace to ensure low-cost renewable and reliable energy; and
- WHEREAS** The City of Killeen proudly recognizes Clean Energy Week and encourages all Texans to support our city and state growing clean energy industries and resources to ensure reliable energy in the Lone Star State for generations to come.

NOW THEREFORE, I, Debbie Nash-King, by virtue of the authority vested in me as Mayor of the City of Killeen do hereby proclaim September 26-30th, 2022:

Clean Energy Week

In Witness Whereof, I have hereunto set my hand and caused the Seal of the City of Killeen to be affixed this 20th day of September, 2022.

Debbie Nash-King, MAYOR
