

Proclamation

WHEREAS, clean and readily abundant forms of energy are powering more homes and businesses than ever before and are a foundational part of America's future; and
WHEREAS, affordable and reliable clean energy is and will continue to fuel Arizona's robust economy; and
WHEREAS, continued advances in clean energy technologies are critical to our energy future; and
WHEREAS, Clean Energy Week encourages increased organizational and individual support of clean energy solutions to power our economy into the future; and
WHEREAS, the clean energy sector has created over 63,000 jobs in Arizona; and
WHEREAS, with a net summer capacity of 3,937 megawatts, Arizona's Palo Verde Nuclear Generating Station is the largest nuclear power plant, the largest net generator of electricity, and the second-largest power plant by capacity of any kind in the nation; and
WHEREAS, in 2022, Arizona ranked fifth in the nation in solar-powered electricity generation at utility and small-scale installations. Solar energy provided the state with more power than all of Arizona's other renewable energy sources combined.
NOW, THEREFORE, I, Katie Hobbs, Governor of the State of Arizona, do hereby proclaim September 25-29, 2023 as

CLEAN ENERGY WEEK

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Arizona

GOVERNOR

DONE at the Capitol in Phoenix on this fourteenth day of September in the year Two Thousand and Twenty-Three and of the Independence of the United States of America the Two Hundred and Forty-Eighth.

ATTEST:

SECRETARY OF STATE
