

Proclamation

CITY OF ORLANDO - OFFICE OF THE MAYOR

- WHEREAS,** across Florida, clean and readily abundant forms of energy are powering more homes and businesses than ever before; and
- WHEREAS,** Florida is home to more than 164,000 clean energy jobs which are inherently local, exempt from outsourcing due to the on-site nature of construction, installation, and maintenance, and contribute to the growth of local communities; and
- WHEREAS,** in an effort to create a cleaner, greener community for future generations, the City of Orlando has committed to sourcing 100 percent of its energy needs by 2050 from clean and renewable sources to reduce energy consumption and increase efficiency; and
- WHEREAS,** by embracing Florida’s moniker as the “Sunshine State,” the City of Orlando has made significant investments in solar panels and community solar subscriptions to lower costs, while also embracing innovative projects such as the “floatovoltaics” solar arrays that are providing power to the Orlando International Airport; and
- WHEREAS,** we’re proud that here in Orlando, government agencies, residents, and businesses are making choices every day to reduce their carbon footprint by identifying opportunities to make significant changes that will save them money while prioritizing greener technology; and
- WHEREAS,** the City of Orlando is committed to continuing to embrace a clean energy future and supporting solutions that address our energy and economic needs in the years to come;

NOW, THEREFORE, I, Buddy Dyer, Mayor of the City of Orlando; do hereby proclaim September 25 – 29, 2023, as

“Clean Energy Week”

in the City of Orlando.

IN WITNESS WHEREOF, I hereunto have set my hand and caused the Seal of the City of Orlando to be affixed this 25th day of September 2023.

Buddy Dyer
