

Baton

Rouge

Proclamation

From the
Office of the Mayor-President
City of Baton Rouge
Parish of East Baton Rouge
State of Louisiana

- WHEREAS,** 3.5 Percent of Louisiana’s net electricity generation in 2022 came from renewable sources, with biomass accounting for nearly three-fifths of this renewable power; and
- WHEREAS,** hydropower accounted for nearly three-tenths of Louisiana’s renewable power generation; the Sidney A. Murray, Jr. Hydroelectric Station was the world’s largest prefabricated power plant at its creation, with a capacity of 192 MW; and
- WHEREAS,** Louisiana’s solar power sector is growing, with utility-scale solar power generation in 2022 being five times larger than it was in 2020; and
- WHEREAS,** the clean energy sector provided more than 31,000 jobs in Louisiana in 2022; and
- WHEREAS,** in 2022, Louisiana’s two liquefied natural gas (LNG) export terminals shipped out about 63% of U.S. total LNG exports; and
- WHEREAS,** clean energy is a vital and growing part of Louisiana’s economy, and Louisiana is proud to join all our partners and stakeholders throughout the State in recognizing and highlighting the importance of clean energy to Louisiana’s future.

Now, Therefore, I, Sharon Weston Broome, Mayor-President of the City of Baton Rouge and the Parish of East Baton Rouge hereby proclaim September 25-29, 2023

CLEAN ENERGY WEEK

IN WITNESS WHEREOF, I have set my hand and caused the Seal of the City of Baton Rouge and the Parish of East Baton Rouge, to be affixed upon this twenty-fifth day of September in the year of our Lord, two thousand and twenty-three.

Sharon Weston Broome
Mayor-President
