

City of Killeen

- WHEREAS** There have been record investments in clean energy through the state of Texas this year, which proves that we are the energy capital of the country; and
- WHEREAS** Texas is the leading crude oil- and natural gas-producing state in the nation, helping strengthen the economy and working to provide reliable energy to Texas everywhere; and
- WHEREAS** The clean energy sector is a key force for economic growth in Texas, with scores of new jobs being added to the industry every year, which brings great benefits to the state; and
- WHEREAS** Clean and abundant forms of energy are powering more homes and businesses than ever before, thanks to renewable sources such as wind, solar, hydro and geothermal, as well as nuclear, natural gas, and carbon capture technologies; and
- WHEREAS** Clean energy is important to Texas, as we are also the number one wind generation state and the second largest solar capacity state; and
- WHEREAS** The City of Killeen must harness the power of Texas entrepreneurs and small businesses, and ensure government collaboration to assert American energy leadership; and
- WHEREAS** The City of Killeen proudly recognizes Clean Energy Week and encourages all Texans to support our city and state growing clean energy industries and resources to ensure reliable energy in the Lone Star State for generations to come.

NOW THEREFORE, I, Debbie Nash-King, by virtue of the authority vested in me as Mayor of the City of Killeen do hereby proclaim September 25-29th, 2023:

National Clean Energy Week

In Witness Whereof, I have hereunto set my hand and caused the Seal of the City of Killeen to be affixed this 5th day of September, 2023.

Debbie Nash-King, MAYOR
