

# Proclamation

OFFICE OF THE MAYOR  
CITY OF MANVEL

**Whereas**, Across Texas, clean and abundant forms of energy are powering more homes and businesses than ever before thanks to renewable sources such as wind, solar, hydro, geothermal, as well as nuclear, natural gas, and carbon capture technologies; and

**Whereas**, Texas is the leading crude oil- and natural gas-producing state in the nation, and also ranks first in wind-powered electricity generation; and

**Whereas**, The clean energy sector is a key driver of economic growth in Manvel, with scores of new jobs being added to the industry every year that cannot be outsourced due to the on-site nature of construction, installation, and maintenance; and

**Whereas**, Manvel must harness the power of Texas entrepreneurs and small businesses and ensure government collaboration to assert American energy leadership and dominance in the global marketplace to ensure low-cost renewable and reliable energy; and

**Whereas**, National Clean Energy Week provides the chance to lift up common sense solutions that will curb climate change while simultaneously preserve the beauty of Texas natural resources.

**Now, Therefore**, I, Dan Davis, by virtue of the authority vested in me as Mayor of the City of Manvel and on behalf of the citizens of Manvel, do hereby proclaim September 25-29, 2023 as

## "National Clean Energy Week"

In witness thereof, on September 5, 2023 I have hereunto set my hand and caused the seal of the City of Manvel to be affixed.
