

**MAYOR'S PROCLAMATION  
DECLARING SEPTEMBER 25-29 AS  
CLEAN ENERGY WEEK  
IN THE CITY OF PFLUGERVILLE**

**WHEREAS**, Clean energy is part of America's future. Across Texas, clean and abundant forms of energy are powering more homes and businesses than ever before. This includes renewable sources such as wind, solar, hydro, and geothermal, as well as nuclear, natural gas, and carbon capture technologies; and

**WHEREAS**, Leaders, businesses, and individuals across the city are making choices every day to reduce their carbon footprint by identifying opportunities to make significant changes that will save them money while prioritizing greener technology; and

**WHEREAS**, Texas ranks first in wind-generated electricity generation for the seventeenth year in a row. In early 2023, Texas had over 13,500 megawatts of solar capacity, ranking second in the nation for solar power production. In early 2023, Texas had over 13,500 megawatts of solar capacity, ranking second in the nation for solar power production. For 2022, Texas ranked first in the nation for overall electricity generation, accounting for over 12% of the nation's electricity generation and double the amount of the second-place holder; and

**WHEREAS**, With over 248,00 clean energy jobs the clean energy sector is a key driver of economic growth in Texas. With great benefits to Texas, these are jobs that cannot be outsourced due to the on-site nature of construction, installation, and maintenance. Clean energy jobs are inherently local and contribute to the growth of local economies

**NOW, THEREFORE, I**, Victor Gonzales, do hereby declare September 25-29, 2023, as **CLEAN ENERGY WEEK** in the City of Pflugerville. I encourage all residents of Pflugerville to support our state's clean energy industries and resources.

**IN OFFICIAL RECOGNITION WHEREOF**, I hereby affix my signature this 22<sup>nd</sup> day of August, 2023.

Victor Gonzales, Mayor

Attest:

Trista Evans, City Secretary
