

STATE OF OREGON
PROCLAMATION
OFFICE OF THE GOVERNOR

- WHEREAS:** Oregon believes in clean, affordable, and readily abundant forms of energy for all and clean energy is a crucial piece of America's energy future; and
- WHEREAS:** Oregon's clean economy—led by more than 58,000 jobs—has created job opportunities in nearly every metro area, county, and legislative district across the state; and
- WHEREAS:** Oregon is a partner in the West Coast Electric Highway along with California, Washington, and British Columbia, Canada. As of February 2024, there were more than 1,200 public electric vehicle charging stations with more than 3,200 charging outlets across Oregon; and
- WHEREAS:** In 2023, 42% of Oregon's utility-scale electricity net generation came from hydroelectric power. In total, renewable energy sources accounted for 62% of the state's electricity net generation; and
- WHEREAS:** In 2023, wind farms produced 15% of Oregon's electricity net generation, with more than 4,000 megawatts of installed generating capacity. The state is set to have two new wind power farms in 2025, with a combined 800 megawatts of available power; and
- WHEREAS:** Oregon's renewable energy portfolio requires that 50% of the electricity sold in the state comes from renewable energy sources by 2040; and
- WHEREAS:** Oregon continues to be a leader in clean energy for the benefit of our environmental and economic future.

NOW,

THEREFORE: I, Tina Kotek, Governor of the State of Oregon, hereby proclaim **September 23-27, 2024** to be

CLEAN ENERGY WEEK

in Oregon and encourage all Oregonians to join in this observance.

IN WITNESS WHEREOF, I hereunto set my hand and cause the Great Seal of the State of Oregon to be affixed. Done at the Capitol in the City of Salem in the State of Oregon on this day, August 29, 2024.

Tina Kotek, Governor

LaVonne Griffin-Valade, Secretary of State
