

Roane County, Tennessee  
**PROCLAMATION**

**WHEREAS**, Tennesseans want affordable, clean, and readily abundant forms of energy; and

**WHEREAS**, Clean energy is now an important part of America's power capabilities; and nuclear power is at the heart of this country's energy future; and

**WHEREAS**, Roane County is home to the Oak Ridge National Laboratory, a national leader in research and development, including nuclear, in energy technology solutions for energy-efficient buildings, transportation, and manufacturing; and

**WHEREAS**, Tennessee's nuclear power plants provide 45% of the states electricity; and

**WHEREAS**, Nuclear power is environmentally friendly and doesn't produce greenhouse gas emissions; and

**WHEREAS**, Safe nuclear energy is integral in powering the economic prosperity of the Tennessee Valley.

**NOW, THEREFORE I**, Wade Creswell, County Executive of Roane County, do hereby proclaim the week of September 23rd through 27th, 2024, as:

***“Clean Energy Week”***

in Roane County, Tennessee and ask our citizens to support clean energy.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the Great Seal of the County of Roane, State of Tennessee, to be affixed at Kingston, this 23rd day of September 2024
