

EVENT IN A BOX

Host your OWN Clean Energy Week!

As an official host of a Clean Energy Week event, you'll get a FREE event kit, including:

Pens Koozies
Stickers Keychains
Printable posters and signage (PDF)

By signing up to host an official Clean Energy Week event, you will have access to the supplies found in our FREE event kit, as well as our Communications Guide and Social Media Toolkit. These materials are intended to assist in laying the groundwork for a successful event. We will also list you as an official participating organization for NCEW25, post your event on the NCEW events calendar on our website, share photos of your celebration on NCEW social media channels and highlight local Clean Energy Week events to our ever-growing subscriber list. Our goal is to provide exposure for your organization's appreciation of American clean energy!

Sign-up here!
