

The State of Maryland

Proclamation

From the Governor of the State of Maryland

**NATIONAL CLEAN ENERGY WEEK
SEPTEMBER 14 - 18, 2026**

- WHEREAS, Clean energy—including solar, wind, hydropower, nuclear, geothermal, and battery storage—is part of our state's and our country's energy future; and
- WHEREAS, The State of Maryland supports affordable, reliable, and clean energy as the foundation on which a strong economy is built; and
- WHEREAS, Maryland is a national leader in clean energy, with numerous programs and efforts to encourage the development of renewable energy across the state; and
- WHEREAS, In 2025, the Calvert Cliffs Clean Energy Center produced nearly 40 percent of all electricity generated in Maryland, and hydropower, led by the Conowingo Dam, accounted for over one-fourth of the state's renewable energy generation; and
- WHEREAS, The State of Maryland supports the development of a strong in-state clean energy sector, which provides nearly 85,000 jobs to Marylanders, to further diversify our economy; and
- WHEREAS, The Utility RELIEF Act established an auction to support large-scale clean energy generation and energy storage projects; and
- WHEREAS, The Maryland Energy Administration is launching the Megawatts for Maryland program to support more in-state clean energy projects.

NOW, THEREFORE, I, WES MOORE, GOVERNOR OF THE STATE OF MARYLAND, do hereby proclaim SEPTEMBER 14 - 18, 2026, as NATIONAL CLEAN ENERGY WEEK in Maryland, and do commend this observation to all of our citizens.

Given Under My Hand and the Great Seal of the State of Maryland,
this 14th day of September
Two Thousand and twenty-six

Wes Moore
Governor

Oruna Miller
Lt. Governor

Susan C. Lee
